ELECTIVES--HIGH SCHOOL BAND CAMP

Please write in your 1st – 3rd choice on the registration form; if paying online you will be able to list your choices online.

Assignments are made in random order, but we will try to accommodate your request.

1. **Ensembles (Chamber Music)**--Ensembles will be formed from the High School Bands. These are very select ensembles, and will be filled by chair order from the auditions in each section. Includes:
   - Flute Choir
   - Clarinet Choir
   - Sax Choir
   - Woodwind Quintet
   - Trombone Choir
   - Horn Quartet
   - Tuba/Euphonium Choir

2. **Theory**--covering the basics of music theory. Additional emphasis given to improving rhythm-reading skills.

3. **Conducting** – Students enrolled in this class will learn the rudiments of conducting including basic beat patterns, understanding the musical score and developing left hand independence.

4. **Piano**--This class is limited due to the number of pianos in the lab. Students will learn the basics of piano.

****************************************************************

5. **JAZZ ENSEMBLE:*** Saxophones, trumpets, trombones and rhythm section (piano, bass, guitar and drum set) do a separate jazz audition after you audition for bands, from 3:00 - 5:00 p.m. Audition locations are listed in the handbook that you receive at check in.

* If you audition and make Jazz Ensembles, this will be your elective. Please list alternate elective choices in the event that you do not make this ensemble.
